

Copyright License Agreement for Visual Submissions to the MicrobeLibrary

American Society for Microbiology

The Copyright Owner identified below hereby grants to the American Society for Microbiology (ASM) the nonexclusive worldwide right and license to reproduce, copy, edit, publish, and distribute the material(s) identified below, in any and all media (including but not limited to electronic, print, video, audio, and any other technology now known or that may be developed in the future), and to authorize others to do the same. This license is given in consideration for having the materials identified below included in the MicrobeLibrary. The Copyright Owner understands that users of the Library will be downloading and copying materials in the Library, including your materials.

The Copyright Owner hereby represents and warrants that he or she owns the copyright in the materials, and has the authority to grant this nonexclusive license. The Copyright Owner further represents and warrants that the material(s) are original and that the exercise of the rights granted hereunder will not infringe any other person's or entity's copyright or other proprietary rights. The Copyright Owner will indemnify and hold ASM harmless from all costs and damages, including attorneys' fees, arising from third party claims of rights in the material(s) identified below.

ASM agrees to give the Copyright Owner appropriate credit in all ASM reproductions, copies, and publications of the material(s). While users of the Library will be asked to give such credit, ASM will have no control over such uses. ASM therefore makes no representations concerning the usage, including any credits, of materials by users of the Library and disclaims any liability stemming from such usage.

ASM understands that works authored solely by U.S. Government employees within the scope of their employment are not subject to U.S. copyright, and the transfer provision of this Agreement does not apply to any U.S. Government employee who authored or coauthored this Article as a part of his or her employment (who should be identified as such below). If the Article was created pursuant to a U.S. Government contract under which the U.S. Government has publication rights, then the above transfer is made subject to those contract rights. All other provisions of this Agreement apply to U.S. Government employees and contractors.
